I have seen in media that we are providing parking lots of federal buildings for the convoy. This sends completely the wrong message, like we are condoning/facilitating the occupiers. It also makes it clearly our problem and not the mayor's. I know Jim. He will do anything he can to lay the blame on us to save his own skin. My constituents are going nuts about these reports. Please don't let them on any federal lands (including the Parkway).

Thanks,
Anita
